Despite a well-known gap, SMEs' access to profitability? *Is so tight*.

The role of public and private sectors to offer financing and guarantees to serve the segments in an economy.

The importance of financial literacy to upskill local MSMEs/SMEs to scale their businesses in the digital economy.

The importance of financial literacy to upskill local MSMEs/SMEs to scale their businesses in the digital economy.

The role of verifiable credentials and alternative assessment tool of "intent to pay" to offer credit to MSMEs/SMEs.

Three focus areas:

1. Products beyond savings and lending
2. Government’s and multilateral agencies’ role in uplifting SMEs in emerging markets
3. Non-financial services like SME marketplace
